Most foundation scholarships are awarded based on academic performance and merit. Financial need, leadership abilities, and other requirements stipulated by individual donors may also be factors in scholarship selections. **STUDENTS MUST BE ENROLLED AT USM ON A FULL-TIME BASIS IN ORDER TO RECEIVE FOUNDATION SCHOLARSHIPS.** The Office of Financial Aid reserves the right, on behalf of The University of Southern Mississippi, to review and cancel an award at any time because of changes in a student's financial aid eligibility, academic status, and/or academic program; or, because of the abuse of scholarship guidelines or requirements. In addition, students who change their enrollment at any time during a semester may be required to repay a pro-rata portion of their award.

Please be advised that these scholarships are non-renewable, meaning that you must apply for foundation scholarships each year. Receiving a foundation scholarship one year does not ensure that a student will receive the same scholarship or the same award amount during a student's next period of enrollment.

Welcome to Stafford Entrance Counseling!

Before your school disburses your Federal Stafford Loan (subsidized or unsubsidized), regulations require that you complete an entrance counseling session. The counseling session provides information about how to manage your student loans, both during and after college.

- From the menu below, select the location of your school and then select your school. Your school must elect to participate in this counseling session. If they aren't on the list below, do NOT select another school. Instead, talk to your school about alternative methods for fulfilling your loan counseling obligation.
- Read any information from your school and the session instructions.
- Read the content and answer the questions.
- Fill out the student information form. Use the comment box for any comments or questions you have for your school.
- Print the confirmation page that appears after you fill out the student information form or note your confirmation number for your records.**

Step 1. Select location and the name of the school.

Select the state or U.S. territory of your school and then click continue. Select the name of your school and then click continue. If your school is not listed in the dropdown below and the school has directed you to Mapping Your Future's Online Student Loan Counseling, please click **Cancel & Exit** and check for your school's participation in other counseling types.

Select your U.S. state or territory:

For non-US states and territories, select the country of the school and then click continue. Select the name of your school and then click continue.
