Turnitin in Canvas

Turnitin Canvas Guides

> Create a new Assignment either by adding to a Module or by going directly through the course Assignments.

To add an assignment to a Module

> Click

Modules

Next to the name of the Module where the assignment belongs, click

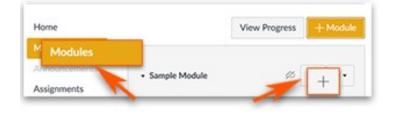

From the drop-down box, choose Assignment to select

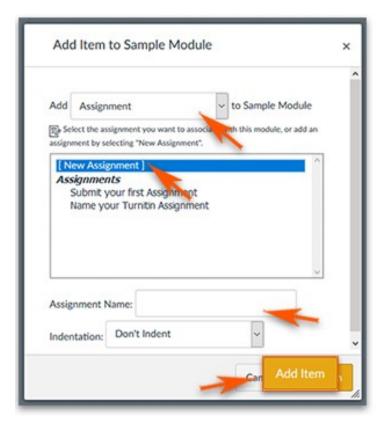

[New Assignment]

- Give the Assignment a name
- Click

Once the Assignment is added to the Module, click directly on the name of the newly added Assignment to Edit.

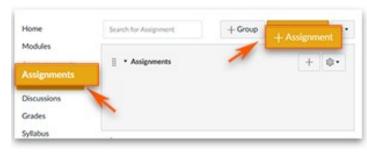

To create new assignment under Assignments

> On the course menu, click

Assignments

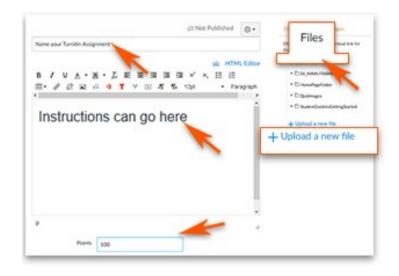

Click

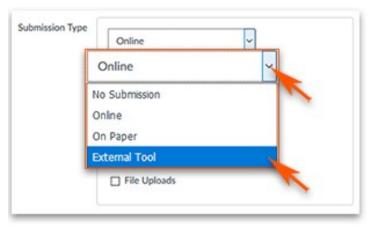

- Name your Assignment
- Add the necessary instructions
- You can add files as needed.
- Add the point value

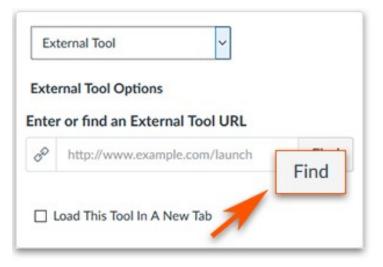

Scroll to Submission Type to click
External Tool

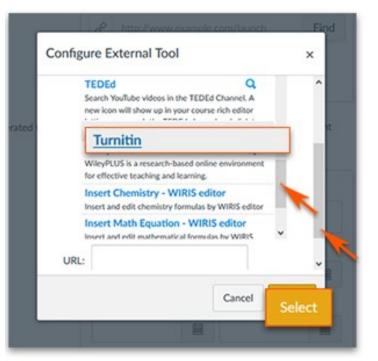

Find

Locate and click

| Turnitin | | |

| Click | | |
| Select | | |

"Load to this tool to a new window" is a matter of preference. The assignment seems to flow better if you <u>do not</u> select it.

| instructions can go here | N Edit Assignment Settings | |
|---|----------------------------|--|
| - test such to be lauded in a new houses window | () Speed Grader** | |
| Load Name your Turnitin Assignment in a new | v window | |

- The default setting is to "Everyone" in the course, but this can be changed.
- Add the Due Date
- > To open the calendar tool, click

| Everyone > | < | |
|----------------|-----------|---|
| Due | | |
| | | 8 |
| Available from | Lintil | |
| Available from | Innevez (| - |
| | | |
| Available from | Until | |

- Pick the date from the Calendar.
- Enter the time in the box below, if you do not want the default time of 11:59pm
- Click

Done

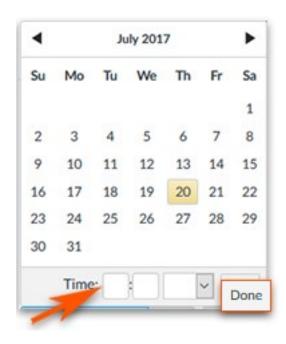

> To get to the Turnitin settings page, click

Once Saved and Publish, the assignment will kick to the Turnitin drop box. All student submissions will

start appearing here for the instructor.

> To setup your Turnitin Options, click

Save & Publish
